Japa Sans Oriya - Versions and Changes

Announcement list

If you would like stay informed of updates to Japa Sans Oriya and other SIL fonts, please subscribe to the SIL Font News Announcement List. For more information see About.

Our font announcements are also available through Twitter @silfonts.

Current versions

The latest version of the fonts is always available from the Japa Sans Oriya Github releases page as a .zip archive for all major platforms.

This font package may also be available in the SIL software repository for Ubuntu. Users can subscribe to this software repository and get current versions and updates automatically.

Previous versions

Previous versions remain available from the Japa Sans Oriya Github releases page.

Change history

A detailed list of changes for each version of the fonts is on the Version history page.
